Holiday: _____

Step 1: Assign roles.

Step 2:

Researchers- Find information on the holiday. Be sure to find the answers to your assigned questions and to list the website(s) you used. *The information you use in the presentation should be in your own words. I will not accept work that is plagiarized.*

- 1.) When is it celebrated?
- 2.) In which Spanish-speaking countries is it celebrated?
- 3.) Why is it celebrated?
- 4.) How is it celebrated? Explain **at least** two (2) things they do on this holiday.

Slideshow Designer & Pictures: Create a Google Slide and share it with other group members. Make sure you allow them to edit. Find pictures of the holiday to add to your slide show.
***BE SURE TO INCLUDE AT LEAST THREE PICTURES IN YOUR PRESENTATION.**

Slideshow Editor & Checker- Make sure your names and the holiday are on the first slide. Make sure information is in complete sentences. Check for proper spelling, punctuation, and grammar. Make sure your group has followed directions and has all of the required information.

Presenter & Group Monitor- Throughout class, make sure your group is on task and aware of the time. If your group has any questions, you will ask me. You will present the slideshow to the class TOMORROW. SHARE YOUR PRESENTATION WITH ME (llynch@drregional.org). If it is not shared with me before class tomorrow, ten(10) points will be taken off. Practice the presentation aloud. Be sure to speak clearly and loudly.

Task Completion <ul style="list-style-type: none"> ● 4 or more pictures ● websites listed ● 4 questions answered ● information is in complete sentences ● names and holiday listed 	Appearance	Accuracy	Initiative
Completed Has all required elements	Looks great! Outstanding effort Creative Professional layout	All information is accurate.	Got right to work and made good use of time. On task at all times
Mostly Complete Missing 1 required element	Looks pretty good! Design/format supports function	One piece of information is not accurate	Group had to be prompted and wasted some time
Partially Complete Missing 2 required element	Could look better! Design/format does not support function well Product shows some effort and attention to detail	Two pieces of information are not accurate	Group had to be prompted more than once and wasted time
Substantially incomplete Missing 3 required elements	Lacks effort and attention to detail Messy Disorganized	Three or more pieces of information are not accurate	Group was slow to start and wasted much time
